Description

“Chi guarda una poltrona deve percepire con l’occhio un senso di comfort mentale e non solo fisico”. Patricia Urquiola ha trasferito alla seduta Husk questa sua convinzione, disegnando una scocca rigida in Hirek ® che contiene una cuscinatura soffice suddivisa in porzioni che sembrano sottolineare la sua ergonomicità. Ha lo spirito delle personalità originali, capaci di armonizzarsi con gli stili più diversi. Tre le tipologie del cuscino: standard, di dimensioni più generose e avvolgenti, oppure con poggiatesta. Con o senza pouf poggiapiedi.
