

## Details

### FEATURES

A classic, modern design that enhances any environment, sculptor Harry Bertoia's Diamond Lounge chair remains a fascinating study in bent metal and a fixture of mid-century design.

Available either fully upholstered or with seat pad only. The Knoll logo is stamped into the base of the chair.

### CONSTRUCTION

The frame is a welded steel construction with rods in chrome or bonded rilsan.

Full covers are stretched over the wire seat basket and attach to the seat basket with hooks.

Seat cushions secure to the chair with lock-snaps. The upholstered small Diamond chairs in Rilsan are also appropriate for outdoor environment.

### FINISHES

The small diamond chair is available in polished or satin chrome finish, and black or white rilsan finish.

The small chair is available with seat pad or fully upholstered. This product is available with foam that meets requirements for BS5852.

### AWARDS

Designer of the Year, USA, 1955.

Certificate of Merit, American Institute of Architects.

Design Center Stuttgart Award, Germany, 1962.
